RM2,400.00 PER PAX

100% HRD CORP CLAIMABLE!

Hotel in Klang/ Shah Alam/ Subang/ PJ / KL

This 2-day course provides practical guidance on strategy-led materiality assessments and NSRF-aligned sustainability reporting, covering IFRS S1 and S2 alignment, identification of material sustainability and climate issues, and clear, decision-useful NSRF disclosures linked to business strategy and performance.

COURSE OBJECTIVES

- Understand IFRS S1, IFRS S2 and NSRF disclosures
- Appreciate sustainability reporting for strategy and value creation
- Apply strategy-led materiality in NSRF reporting

COURSE OUTLINE

- Sustainability Reporting under IFRS S1 & S2 and NSRF
- Importance of Sustainability Reporting for Sustainable Value Creation
- Building Sustainability Report

WHO SHOULD ATTEND?

- Managers and executives responsible for reporting, disclosures, or sustainability initiatives.

TRAINER

Dr Yan Huey Jiuan

A seasoned finance professional with over 25 years of experience in financial management, governance, and sustainability across corporate and academic settings. She holds a DBA from HELP University, an MBA in Finance from the University of Hull, and a Bachelor of Accountancy (Hons) from Universiti Utara Malaysia, and is a CGMA, CFP, MIA member, and holder of the IFRS Foundation's FSA Credential. Her expertise includes IFRS S1 & S2 implementation, NSRF compliance, and ESG integration, delivering practical, standards-driven training that strengthens financial governance and sustainability reporting. Dr. Yan is also a founding member of Malaysian Association of Public Advocacy for Nature (MAPAN).

Ir Ts Dr Leong Kah Hon

Associate Professor at Universiti Tunku Abdul Rahman (UTAR), HRDF-accredited trainer, and founding member of MAPAN. Holds a PhD in Civil and Environmental Engineering and is certified with BEM and MBOT. Possesses extensive experience spanning both academia and industry, with a strong track record in advising public listed companies (PLCs) and SMEs on sustainability reporting. Recipient of the AAET Green Award 2021 and UTAR Teaching Excellence Award 2021. Ir. Ts. Dr. Leong Kah Hon is also a founding member of Malaysian Association of Public Advocacy for Nature (MAPAN).
